

THE 2011 CHARLES RIVER AWARD

A CALL FOR EXCELLENCE

We are pleased to invite nominations for the annual Charles River Award which is open to all members of the Laboratory Animal Science Association (LASA). The award consists of a cheque for £1,000 and an inscribed plaque to recognise an outstanding contribution to laboratory animal science and welfare.

Criteria

Advances in animal welfare will be taken into account in recognising outstanding contributions in the following areas:

- **care of laboratory animals**
- **research in the field of laboratory animal care**
- **education in laboratory animal care**
- **laboratory animal facility management**
- **scientific discovery through the use of animals where there are no validated alternatives**
- **services to LASA**
- **a lifetime dedication to laboratory animal science and welfare**

Nominations should include:-

- **name, qualifications and CV**
- **a statement, not exceeding 1000 words, describing the work which qualifies for the award, together with supporting documents, four best publications, reprints etc.**
- **a second letter of support for the nomination**

Nominations should be submitted before 1 September 2011 to:

**The Secretariat
LASA
PO Box 524
Hull, HU9 9HE
Email: info@lasa.co.uk**
