**NOT JUST SKIN DEEP -
PROBING DEEPER WITH IMAGING**

Imaging applications in Laboratory Animal Science

Thursday 22nd June 2017, Birmingham

09.00-09.30 - Registration, 16.30 - Meeting closes

The aim is to share experience with imaging protocols and to debate on possible refinements of techniques, novel methodologies, challenges surrounding translational medicine, anaesthesia of small rodents and the impact imaging has on good science.

A draft programme is available on the LASA website: www.lasa.co.uk and from info@lasa.co.uk

Register via info@lasa.co.uk

Early registration (on or before 02/06/2017)	£100 + VAT
Standard registration (after 02/06/2017)	£120 + VAT

All delegates attending will be eligible for LASA CPD points and e-certificates will be issued.
