

LASA 3Rs Section - Call for Speakers

LASA Annual Conference 2022
22 - 23 November

The LASA 3Rs section conveners are inviting submissions for spoken presentations on any aspect of the 3Rs (Replacement, Reduction and Refinement) to be given at the 2022 LASA Annual Conference, which will be held in-person on the 22nd and 23rd November 2022. The LASA 3Rs session is scheduled to take place on **Wednesday 22nd November from 14:45 - 17:00 (UK time)**.

We are particularly interested in hearing about techniques which have been utilised to Replace animals as well as new 3Rs advances in Refinement and Reduction, that are supported by scientific data, but we will consider other submissions. If you wish to contribute, please submit a title, and abstract to the LASA Secretariat for consideration no later than 31st August 2022: info@lasa.co.uk

Abstracts should be written in English and not exceed 400 words, excluding the title and the authors' names and addresses. Please use Microsoft Word for Windows when submitting an abstract. Text should be in Arial font, size 10. The title should be centered and in bold capital letters (as below).

TITLE OF PAPER

AB Authorone¹ and CD Authortwo²

¹ Department of Research and Development, Institution, UK

² Department of Applied Animal Welfare, University of Brewhouse Hill, UK
ab.authorone@institution.ac.uk

A blank line should precede the text. The text should clearly and concisely outline the main findings or premise without reference(s) to other text or paper or to future findings. It can include graphs or tables but must fit on one side of A4.

Speakers selected to give a presentation will be given free registration on the day of their talk. If selected, you must be available to present live on Wednesday 22nd November 2022, between 14:00-17:00 (UK time). Non-selected abstracts will be offered the option of a poster presentation.

LASA is very grateful to Animals in Science - Education Trust (AS-ET), for sponsoring the prize of £250 for 'Best Presentation'
